Imagining Computers

1. Archival Projects: 15 mins.

2. Vannevar Bush

   Is this a computer? What is?

3. Theory

4. Computer Chronology

   (a) Long History

   (b) Early electronic computing

   chaining complex operations

       i. John Atanasoff and Clifford Berry at Iowa State University: 1936 and on.

       ii. Enigma and the Bombe

       iii. Harvard Mark 1 (1945)–mechanical switches.
