1. Absinthe

2. Dataviz

    (a) Why should historians use data visualization?
    (b) Can data visualization advance a social-constructivist agenda?
    (c) How is the invisible labor of data visualization different from the invisible labor of archival work?

3. Interpreting Dataviz

4. Great modern dataviz

5. The dataviz canon

6. Help Ben!
